

## Intuit Benefits Annual Enrolment Window - Darwin User Guide

The objective of this guide is to help you manoeuvre through Darwin, your benefits administrator tool and choose the Medical Insurance Plan that is best suited for you and your family members. Kindly follow the steps mentioned below. In case you encounter an error, kindly raise an HR Connect ticket via Insight portal.

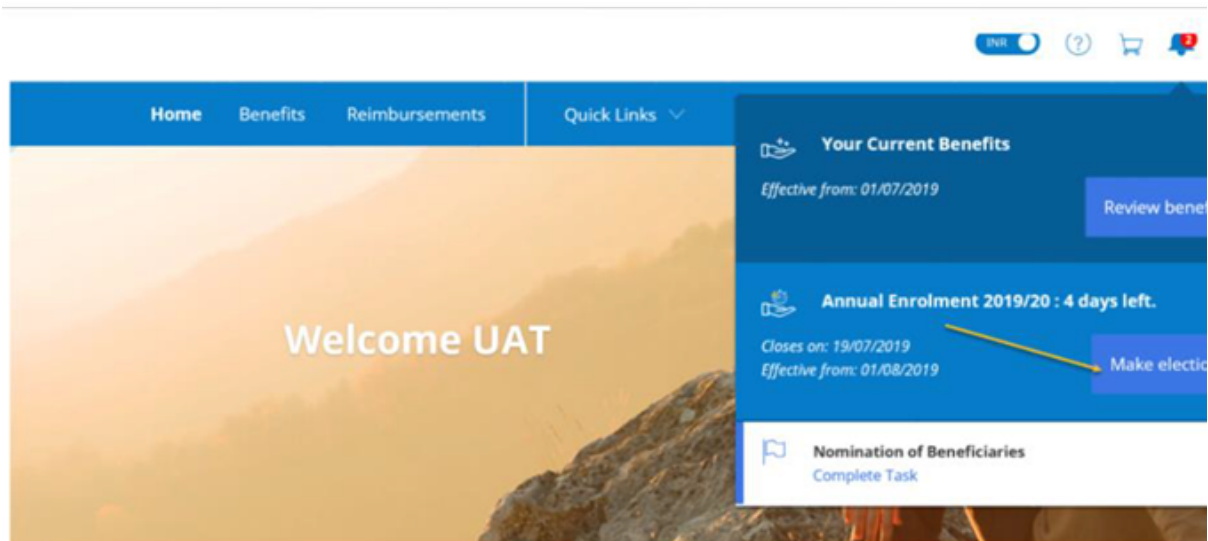

1. Log in to Darwin with your SSO details: <http://darwin.sso.intuit.com/>
2. Click on 'bell icon' on the top right-hand corner of the page to view the drop-down menu options

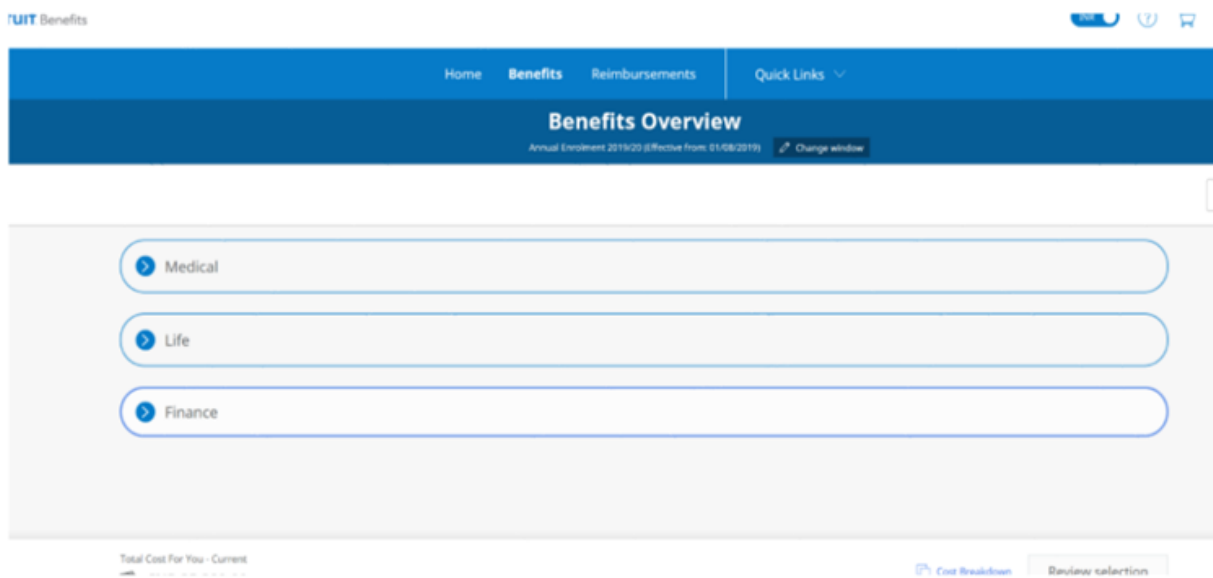

3. Click on 'Review benefits' to view your current plan.

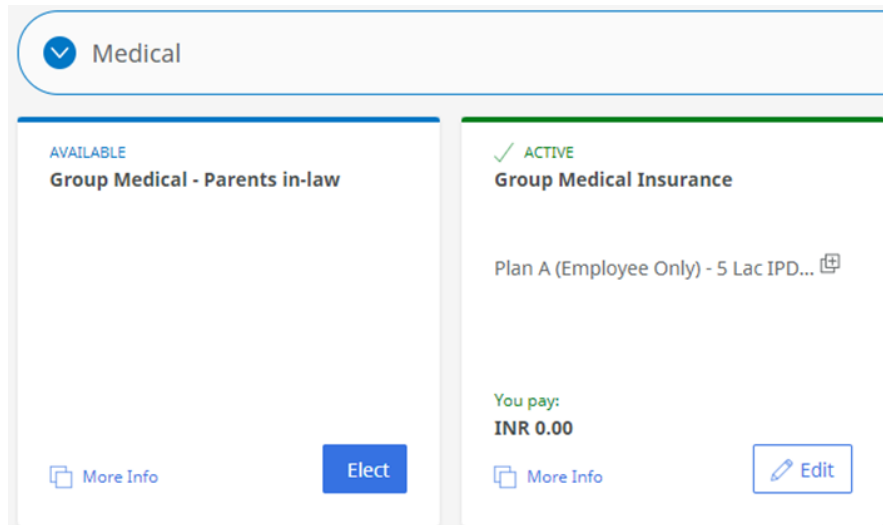

4. Click on 'Annual enrolment' and choose 'Make elections' to select the same or different plans based on your requirements. In case you don't make any selections your previous plan from FY'24 will be carried forward.

5. The screen will display as below.

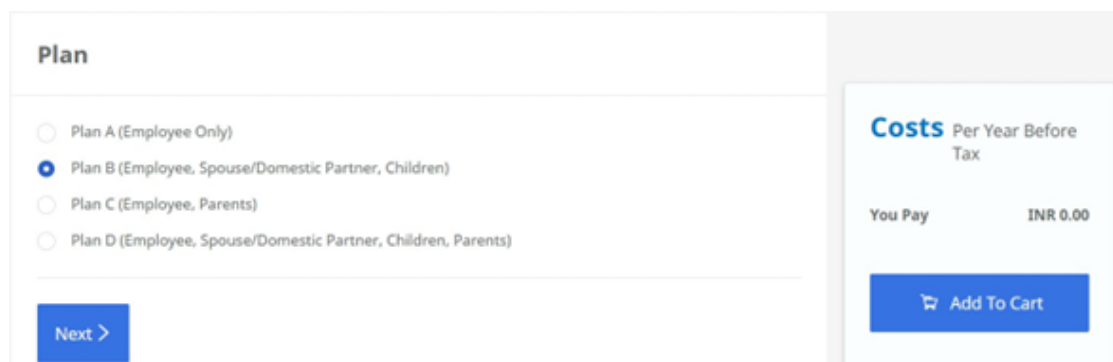

6. Click on Medical tile to see as below and click on edit to make elections.

**Note:** For plans B, C and D minimum number of dependents are required to be selected post entering the values:

- Plan B
  - At least 1 spouse OR 1 partner OR 1 child has to be enrolled (Caters for both married / single scenarios)
  - You can enrol up to 3 children (only). If you try to enrol more than 3 children, you'll see an error message
  - You can enrol either 1 spouse OR 1 partner and cannot have both dependent types added.
- Plan C
  - At least 1 father OR 1 mother
- Plan D
  - At least (1 spouse OR 1 partner OR 1 child) AND (1 father OR 1 mother)
  - You can only enrol up to 3 children. If you try to enrol more than 3 children, you'll see an error message
  - You can enrol either 1 spouse OR 1 partner and cannot have both dependent types added

7. After choosing the plan, choose the sum insured. All eligible dependents will appear under 'Eligible dependents' and the checkboxes will be unchecked by default.

You will have to check the dependents that you want to enrol into the selected plan

## Group Medical - Parents in-law Enrolment:

1. Click on 'Edit' under Group Medical - Parents in-law tile and you'll be redirected to the benefit selection page below.

The screenshot shows a form titled "Group Medical - Parents in-law levels". It contains two radio button options: "Rs. 3 lakhs for parents in-law" (selected) and "Rs. 5 lakhs for parents in-law". A blue "Next >" button is located below the options. To the right, a summary box displays "Costs Per Year Before Tax" with "You Pay" of "INR 69,502.00" and a blue "Add To Cart" button.

2. After you select the plan, you'll have to select the dependents before clicking on 'Add to cart'.

This screenshot shows the same "Group Medical - Parents in-law levels" form as above, but with an additional section titled "Assign Dependents on Cover". Under this section, there is a heading "Eligible dependents:" followed by two checkboxes: "Test Father-in-law" and "Test Mother-in-law". An orange arrow points to the "Eligible dependents:" heading. To the right, the "Costs Per Year Before Tax" summary box is visible, showing "You Pay" of "INR 69,502.00" and an "Add To Cart" button.

Note: Minimum dependent cap. For each plan is configured in the following manner:

- Rs. 3 Lakhs → At least 1 father-in-law or 1 mother-in-law
- Rs. 5 Lakhs → At least 1 father-in-law or 1 mother-in-law

Maximum parents in-law capping → Both in laws (2 dependents)

3. Once you select the dependents, you can proceed to 'Add to cart'.
